SKU: 9780357123072-TEST-BANK

Name:_____ Class:_____ Date:_____

**Chapter 02: Health Care Yesterday, Today, and Tomorrow**

**True / False**

1. Throughout much of human history, people believed that illness was caused by forces outside the control of man.
   a. True
   b. False

*ANSWER:* True
*POINTS:* 1
*QUESTION TYPE:* True / False
*HAS VARIABLES:* False
*NOTES:* Only in recent history were causes of and means to effectively treat illnesses discovered.
*DATE CREATED:* 10/10/2019 2:51 AM
*DATE MODIFIED:* 10/10/2019 2:56 AM

2. Anesthesia was not developed until the 20th century.
   a. True
   b. False

*ANSWER:* False
*POINTS:* 1
*QUESTION TYPE:* True / False
*HAS VARIABLES:* False
*NOTES:* Anesthesia was introduced in the 19th century.
*DATE CREATED:* 10/10/2019 2:51 AM
*DATE MODIFIED:* 10/10/2019 2:56 AM

3. Until the 19th century, medicine and surgery were considered to be very different occupations.
   a. True
   b. False

*ANSWER:* True
*POINTS:* 1
*QUESTION TYPE:* True / False
*HAS VARIABLES:* False
*NOTES:* In the 19th century, surgery was upgraded from a craft to an experimental science.
*DATE CREATED:* 10/10/2019 2:51 AM
*DATE MODIFIED:* 10/10/2019 2:57 AM

4. The modern hospital typically offers a full range of services for patients needing care until they are ready to return home.
   a. True
   b. False

*ANSWER:* False
*POINTS:* 1
*QUESTION TYPE:* True / False
*HAS VARIABLES:* False

*Copyright Cengage Learning. Powered by Cognero.*

Introduction to Health Care 5th edition Haroun Test Bank

**Chapter 02: Health Care Yesterday, Today, and Tomorrow**

*NOTES:* Hospitals offer acute care, and patients may need intermediary levels of care in other facilities before being ready to return home.
*DATE CREATED:* 10/10/2019 2:52 AM
*DATE MODIFIED:* 10/10/2019 2:58 AM

5. The Joint Commission is a government organization that regulates the operation of hospitals.
   a. True
   b. False
*ANSWER:* False
*POINTS:* 1
*QUESTION TYPE:* True / False
*HAS VARIABLES:* False
*NOTES:* The Joint Commission is a private, nonprofit organization that accredits many types of health care facilities.
*DATE CREATED:* 10/10/2019 2:52 AM
*DATE MODIFIED:* 10/10/2019 2:59 AM

6. The National Institutes of Health ensure the safety of food and drugs offered to consumers in the United States.
   a. True
   b. False
*ANSWER:* False
*POINTS:* 1
*QUESTION TYPE:* True / False
*HAS VARIABLES:* False
*NOTES:* This function is carried out by the Food and Drug Administration, not the National Institutes of Health.
*DATE CREATED:* 10/10/2019 2:52 AM
*DATE MODIFIED:* 10/10/2019 3:00 AM

7. Covering the cost of long-term care will be a major challenge in the near future.
   a. True
   b. False
*ANSWER:* True
*POINTS:* 1
*QUESTION TYPE:* True / False
*HAS VARIABLES:* False
*NOTES:* The increasing number of older persons who are living longer will require care facilities that at present are increasing in cost as much as 5 percent annually.
*DATE CREATED:* 10/10/2019 2:52 AM
*DATE MODIFIED:* 10/10/2019 3:01 AM

8. The American Medical Association believes that television ads for prescription drugs is a good way to inform patients about their options.
   a. True

*Copyright Cengage Learning. Powered by Cognero.*

Introduction to Health Care 5th edition Haroun Test Bank

b. False

*ANSWER:* False
*POINTS:* 1
*QUESTION TYPE:* True / False
*HAS VARIABLES:* False
*NOTES:* The American Medical Association has called for a ban on prescription drug advertising, believing them to be dangerous to the public.
*DATE CREATED:* 10/10/2019 2:52 AM
*DATE MODIFIED:* 10/10/2019 3:02 AM

9. It is estimated that one in three people age 85 and over will be diagnosed with Alzheimer's disease.
a. True
b. False

*ANSWER:* True
*POINTS:* 1
*QUESTION TYPE:* True / False
*HAS VARIABLES:* False
*NOTES:* Alzheimer's disease is now the sixth leading cause of death in the United States.
*DATE CREATED:* 10/10/2019 3:00 AM
*DATE MODIFIED:* 10/10/2019 3:03 AM

10. Many physicians believe they have less control over medical decisions regarding treatment for their patients than they had in the past.
a. True
b. False

*ANSWER:* True
*POINTS:* 1
*QUESTION TYPE:* True / False
*HAS VARIABLES:* False
*NOTES:* Many physicians believe they have lost some control over how they treat their patients.
*DATE CREATED:* 10/10/2019 3:02 AM
*DATE MODIFIED:* 10/10/2019 3:04 AM

11. Medicaid is a federal health insurance plan for persons age 65 and older and the disabled.
a. True
b. False

*ANSWER:* False
*POINTS:* 1
*QUESTION TYPE:* True / False
*HAS VARIABLES:* False
*NOTES:* Medicaid is a federally funded but state-administered health insurance plan for qualifying low-income individuals.
*DATE CREATED:* 10/10/2019 3:02 AM

*Copyright Cengage Learning. Powered by Cognero.*

*DATE MODIFIED:* 10/10/2019 3:06 AM

12. Adult foster care provides 24-hour nursing care in a home-like environment.
    a. True
    b. False

*ANSWER:* False
*POINTS:* 1
*QUESTION TYPE:* True / False
*HAS VARIABLES:* False
*NOTES:* Adult foster care provides a home-like environment, but does not include 24-hour nursing care.
*DATE CREATED:* 10/10/2019 3:02 AM
*DATE MODIFIED:* 10/10/2019 3:07 AM

13. The abuse of painkillers has decreased dramatically in the last few years.
    a. True
    b. False

*ANSWER:* False
*POINTS:* 1
*QUESTION TYPE:* True / False
*HAS VARIABLES:* False
*NOTES:* Although prescriptions for painkillers have leveled off, thousands of people die from prescription drug overdoses each year.
*DATE CREATED:* 10/10/2019 3:03 AM
*DATE MODIFIED:* 10/10/2019 3:08 AM

**Multiple Choice**

14. Discovering the principles of chemistry in the 18th century made it possible to:
    a. better understand human anatomy.
    b. learn how body functions, such as digestion, occur.
    c. manufacture disinfectants.
    d. develop surgical techniques.

*ANSWER:* b
*FEEDBACK:*
a. Incorrect. Discovering the principles of chemistry made progress possible in learning how body functions, such as digestion, occur.
b. Correct. Discovering the principles of chemistry made progress possible in learning how body functions, such as digestion, occur.
c. Incorrect. Discovering the principles of chemistry made progress possible in learning how body functions, such as digestion, occur.
d. Incorrect. Discovering the principles of chemistry made progress possible in learning how body functions, such as digestion, occur.

*POINTS:* 1
*QUESTION TYPE:* Multiple Choice
*HAS VARIABLES:* False

*Copyright Cengage Learning. Powered by Cognero.*

Introduction to Health Care 5th edition Haroun Test Bank

**Chapter 02: Health Care Yesterday, Today, and Tomorrow**

*DATE CREATED:* 10/10/2019 3:09 AM
*DATE MODIFIED:* 10/10/2019 3:10 AM

15. What is the most significant reason for the dramatic increase in expected life span over the last 100 years?
    a. Better living habits
    b. Improved surgical techniques
    c. The development of antibiotics and immunizations
    d. A decrease in the number of people living in poverty

*ANSWER:* c
*FEEDBACK:*
a. Incorrect. The development of antibiotics and immunizations has had the most significant effect on life span.
b. Incorrect. Surgical techniques have improved, but the development of antibiotics and immunizations has had the most significant effect on life span.
c. Correct. The development of antibiotics and immunizations has had the most significant effect on life span.
d. Incorrect. Poverty levels may have decreased, but the development of antibiotics and immunizations has had the most significant effect on life span.

*POINTS:* 1
*QUESTION TYPE:* Multiple Choice
*HAS VARIABLES:* False
*DATE CREATED:* 10/10/2019 3:11 AM
*DATE MODIFIED:* 10/10/2019 3:13 AM

16. Which statement most accurately describes the result of the increased specialization of medicine?
    a. It has decreased the cost of medical care
    b. Patients are receiving more consistent care.
    c. Relationships between physicians and patients have become closer.
    d. Diagnostic and treatment methods have improved.

*ANSWER:* d
*FEEDBACK:*
a. Incorrect. Costs have increased, although diagnostic and treatment methods have improved with increased specialization of medicine.
b. Incorrect. Providing consistent care is more challenging with specialization. However, diagnostic and treatment methods have improved.
c. Incorrect. In many cases, the relationship between physicians and patients has broken down due to specialization. However, diagnostic and treatment methods have improved.
d. Correct. Diagnostic and treatment methods have improved.

*POINTS:* 1
*QUESTION TYPE:* Multiple Choice
*HAS VARIABLES:* False
*DATE CREATED:* 10/10/2019 3:11 AM
*DATE MODIFIED:* 10/10/2019 3:15 AM

17. What percent of patients is estimated to not taking as directed the medications prescribed?
    a. 15 percent
    b. 30 percent

*Copyright Cengage Learning. Powered by Cognero.*

Introduction to Health Care 5th edition Haroun Test Bank

c. 35 percent
d. 50 percent

*ANSWER:* a

*FEEDBACK:*
a. Incorrect. Up to 50 percent of patients do not take their prescribed medication as directed.
b. Incorrect. Up to 50 percent of patients do not take their prescribed medication as directed.
c. Incorrect. Up to 50 percent of patients do not take their prescribed medication as directed.
d. Correct. Up to 50 percent of patients do not take their prescribed medication as directed.

*POINTS:* 1
*QUESTION TYPE:* Multiple Choice
*HAS VARIABLES:* False
*DATE CREATED:* 10/10/2019 3:11 AM
*DATE MODIFIED:* 10/10/2019 3:17 AM

18. One of the most difficult challenges faced by hospitals today is the need to:
a. continue expanding the number of services offered.
b. control expenses while maintaining an acceptable patient occupancy rate.
c. conduct medical research.
d. find appropriate sites on which to build more hospitals.

*ANSWER:* b

*FEEDBACK:*
a. Incorrect. Controlling expenses while maintaining occupancy rates is a difficult challenge for hospitals today.
b. Correct. Controlling expenses while maintaining occupancy rates is a difficult challenge for hospitals today.
c. Incorrect. Controlling expenses while maintaining occupancy rates is a difficult challenge for hospitals today.
d. Incorrect. Controlling expenses while maintaining occupancy rates is a difficult challenge for hospitals today.

*POINTS:* 1
*QUESTION TYPE:* Multiple Choice
*HAS VARIABLES:* False
*DATE CREATED:* 10/10/2019 3:11 AM

19. The majority of outpatient services are provided by:
a. hospital emergency rooms.
b. private physicians' offices.
c. urgent care centers.
d. specialty clinics.

*ANSWER:* b

*FEEDBACK:*
a. Incorrect. The majority of outpatient services are provided by private physicians' offices.

*Copyright Cengage Learning. Powered by Cognero.*

Introduction to Health Care 5th edition Haroun Test Bank

b. Correct. The majority of outpatient services are provided by private physicians' offices.
c. Incorrect. The majority of outpatient services are provided by private physicians' offices.
d. Incorrect. The majority of outpatient services are provided by private physicians' offices.

*POINTS:* 1
*QUESTION TYPE:* Multiple Choice
*HAS VARIABLES:* False
*DATE CREATED:* 10/10/2019 3:12 AM
*DATE MODIFIED:* 10/10/2019 3:24 AM

20. Which of the following health care services is expected to provide the largest number of employment opportunities for today's health care graduates?

a. Emergency services
b. Long-term care
c. Hospitals
d. Hospices

*ANSWER:* b
*FEEDBACK:*

a. Incorrect. The highest growth in employment will be in long-term care.
b. Correct. The highest growth in employment will be in long-term care.
c. Incorrect. The highest growth in employment will be in long-term care.
d. Incorrect. The highest growth in employment will be in long-term care.

*POINTS:* 1
*QUESTION TYPE:* Multiple Choice
*HAS VARIABLES:* False
*DATE CREATED:* 10/10/2019 3:22 AM
*DATE MODIFIED:* 10/10/2019 3:25 AM

21. Which of the following describes one of the primary responsibilities of local health departments?

a. Provide health care services for the poor
b. Conduct research on the causes of disease
c. Inspect and regulate services that affect public health
d. Evaluate the quality of hospital services

*ANSWER:* c
*FEEDBACK:*

a. Incorrect. A primary responsibility of local health departments is to inspect and regulate services that affect public health.
b. Incorrect. A primary responsibility of local health departments is to inspect and regulate services that affect public health.
c. Correct. A primary responsibility of local health departments is to inspect and regulate services that affect public health.
d. Incorrect. A primary responsibility of local health departments is to inspect and regulate services that affect public health.
