

Your Health Today Choices in a Changing Society
8th edition Teague Test Bank

SKU: 9781260260335-TEST-BANK

Your Health Today Choices in a Changing Society 8th Edition by Teague CH01

ANSWERS ARE LOCATED IN THE SECOND PART OF THIS DOCUMENT

TRUE/FALSE - Write 'T' if the statement is true and 'F' if the statement is false.

1) Health is conceptualized as having several domains, such as physical, mental, social, and spiritual domains.

1) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Remember

Section : Your Health in Context

Learning Objective : Define health; wellness; and the individual dimensions of wellness.

Topic : Health

2) Individual choice is the only factor governing a person's ability to live a healthy lifestyle.

2) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Section : Your Health in Context

Learning Objective : Identify factors outside individual behavior that determine health.

Topic : Health

Topic : Socioecological Model of Health and Wellness

Bloom's : Understand

3) Health disparities occur when all people have the equal opportunity to attain their full health potential.

3) _____

- ☐ true
- ☐ false

Your Health Today Choices in a Changing Society 8th Edition by Teague CH01

Question Details

Accessibility : Keyboard Navigation

Section : Your Health in Context

Learning Objective : Identify factors outside individual behavior that determine health.

Topic : Health

Topic : Health Equity/Health Disparities

Bloom's : Understand

4) Factors such as income level, available health care services, and literacy are examples of social determinants of health.

4) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Section : Your Health in Context

Learning Objective : Identify factors outside individual behavior that determine health.

Topic : Health

Topic : Social Determinants of Health

Bloom's : Understand

5) In the United States, poor health outcomes are associated with environmental pollution, low educational attainment, and poverty.

5) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Remember

Section : Your Health in Context

Learning Objective : Identify factors outside individual behavior that determine health.

Topic : Health Equity/Health Disparities

6) Of our 23 chromosome pairs, 22 are the same for women and men.

Your Health Today Choices in a Changing Society 8th Edition by Teague CH01

6) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Remember

Section : Your Health and Your Family Health History

Learning Objective : Explain how heredity and genetics can influence an individual's patterns of heal

Topic : Heredity/Genetics

7) The complete set of DNA is called a person's *genome*.

7) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Remember

Section : Your Health and Your Family Health History

Learning Objective : Explain how heredity and genetics can influence an individual's patterns of heal

Topic : Heredity/Genetics

8) In a person's complete set of DNA, one pair of genomes is labeled with an X or a Y rather than with a number. Females have two X genomes; males have an X and a Y genome.

8) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Remember

Section : Your Health and Your Family Health History

Learning Objective : Explain how heredity and genetics can influence an individual's patterns of heal

Topic : Heredity/Genetics

9) Genetic mutations can be beneficial or harmful—or neither—to one's health.

Your Health Today Choices in a Changing Society 8th Edition by Teague CH01

9) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Section : Your Health and Your Family Health History

Learning Objective : Explain how heredity and genetics can influence an individual's patterns of heal

Topic : Genes and Mutations

Bloom's : Understand

10) If an individual receives a faulty, mutated copy of a gene from his or her mother, that person will most likely acquire a genetic disorder.

10) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Section : Your Health and Your Family Health History

Learning Objective : Explain how heredity and genetics can influence an individual's patterns of heal

Topic : Genes and Mutations

Topic : Family Health History

Bloom's : Apply

11) Most genetic disorders are caused by single-gene mutations.

11) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Remember

Section : Your Health and Your Family Health History

Learning Objective : Explain how heredity and genetics can influence an individual's patterns of heal

Topic : Genes and Mutations

Your Health Today Choices in a Changing Society 8th Edition by Teague CH01

12) Multifactorial disorders are those caused by the interaction of both environmental and genetic factors.

12) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Remember

Section : Your Health and Your Family Health History

Learning Objective : Explain how heredity and genetics can influence an individual's patterns of heal

Topic : Heredity/Genetics

13) A family health tree is also called a *genogram* or a *genetic pedigree*.

13) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Remember

Section : Your Health and Your Family Health History

Learning Objective : Explain how heredity and genetics can influence an individual's patterns of heal

Topic : Family Health History

14) The most relevant information from a family health tree includes age and major diseases, as well as cause of death for deceased relatives.

14) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Section : Your Health and Your Family Health History

Learning Objective : Explain how heredity and genetics can influence an individual's patterns of heal

Bloom's : Understand

Topic : Family Health History

Your Health Today Choices in a Changing Society 8th Edition by Teague CH01

15) A pattern of illness on your family tree means that you will most likely be affected by that disease and should seek genetic counseling.

15) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Remember

Section : Your Health and Your Family Health History

Learning Objective : Explain how heredity and genetics can influence an individual's patterns of heal

Topic : Family Health History

16) When evaluating a family health tree, a family member who has a heart attack at age 70 raises more genetic concerns than a relative who develops colon cancer at age 28.

16) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Section : Your Health and Your Family Health History

Learning Objective : Explain how heredity and genetics can influence an individual's patterns of heal

Topic : Family Health History

Bloom's : Apply

17) Sade's mother was diagnosed with Alzheimer's disease at age 50. Courtney's grandmother was diagnosed with Alzheimer's disease at age 82. Sade's mother's disease is more likely to have a genetic component.

17) _____

- ☐ true
- ☐ false

Your Health Today Choices in a Changing Society 8th Edition by Teague CH01

Question Details

Accessibility : Keyboard Navigation

Section : Your Health and Your Family Health History

Learning Objective : Explain how heredity and genetics can influence an individual's patterns of heal

Topic : Heredity/Genetics

Topic : Genes and Mutations

Bloom's : Apply

18) One key difference between the Health Belief Model and the Stages of Change Model for understanding individual health behavior change is that the Health Belief Model acknowledges the role of perception, while the Stages of Change Model does not.

18) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Understand

Section : Your Personal Health Choices

Learning Objective : Outline how to apply models of health behavior change.

Topic : Stages of Behavior Change

Topic : Health Belief Model

19) The Stages of Change Model emphasizes that change happens not as a one-time event, but as a process.

19) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Remember

Section : Your Personal Health Choices

Learning Objective : Outline how to apply models of health behavior change.

Topic : Transtheoretical Model of Change

Topic : Stages of Behavior Change

Your Health Today Choices in a Changing Society 8th Edition by Teague CH01

20) Adam is in the contemplation stage of the Transtheoretical Model when he decides that he will stop drinking alcohol at the beginning of next month.

20) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Section : Your Personal Health Choices

Learning Objective : Outline how to apply models of health behavior change.

Topic : Transtheoretical Model of Change

Topic : Stages of Behavior Change

Bloom's : Apply

21) In the maintenance stage of the Transtheoretical Model for health behavior change, a new behavior has been in place for a minimum of two years.

21) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Understand

Section : Your Personal Health Choices

Learning Objective : Outline how to apply models of health behavior change.

Topic : Transtheoretical Model of Change

Topic : Stages of Behavior Change

22) For some types of behaviors, the maintenance stage of the Stages of Change Model can be an ongoing, lifelong process.

22) _____

- ☐ true
- ☐ false

Your Health Today Choices in a Changing Society 8th Edition by Teague CH01

Question Details

Accessibility : Keyboard Navigation

Bloom's : Understand

Section : Your Personal Health Choices

Learning Objective : Outline how to apply models of health behavior change.

Topic : Transtheoretical Model of Change

Topic : Stages of Behavior Change

23) Activities such as developing social support systems and establishing goals and rewards help people to move through stages in the Stages of Change Model.

23) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Understand

Section : Your Personal Health Choices

Learning Objective : Create a plan for behavior change.

Topic : Behavior Change Planning

24) A successful behavior change plan will include strategies for dealing with potential barriers to change.

24) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Remember

Section : Your Personal Health Choices

Learning Objective : Create a plan for behavior change.

Topic : Behavior Change Planning

25) For a person to change a behavior successfully, he or she does not need to have a perceived sense of self-efficacy.

Your Health Today Choices in a Changing Society 8th Edition by Teague CH01

25) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Understand

Section : Your Personal Health Choices

Topic : Transtheoretical Model of Change

Topic : Stages of Behavior Change

Learning Objective : Discuss helpful strategies for health-related behavior change.

26) A signed behavior change contract, with a family member or friend witnessing your new contracted commitment to change, is among the most effective tools for change.

26) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Remember

Section : Your Personal Health Choices

Learning Objective : Create a plan for behavior change.

Topic : Behavior Change Planning

27) When implementing a behavior change plan that involves a long-term health goal, you should strictly avoid setting and rewarding interim goals.

27) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Understand

Section : Your Personal Health Choices

Learning Objective : Create a plan for behavior change.

Topic : Behavior Change Planning

Your Health Today Choices in a Changing Society 8th Edition by Teague CH01

28) SMART is an acronym for Specific, Measurable, Attainable, Realistic, and Time-bound goals.

28) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Remember

Section : Your Personal Health Choices

Learning Objective : Create a plan for behavior change.

Topic : Behavior Change Planning

29) In assessing your health risks, it is important to ignore any emotional reaction you may experience.

29) _____

- ☐ true
- ☐ false

Question Details

Accessibility : Keyboard Navigation

Bloom's : Understand

Section : Your Personal Health Choices

Learning Objective : Create a plan for behavior change.

Topic : Health Literacy

30) Scientists typically consider the results of a single study to be conclusive and definitive.

30) _____

- ☐ true
- ☐ false

Your Health Today Choices in a Changing Society 8th Edition by Teague CH01

Question Details

Accessibility : Keyboard Navigation

Bloom's : Understand
