Answer: C

Short Answer

1.1 What Is Sociology?

1. What do you think C. Wright Mills meant when he said that to be a sociologist, one had to develop a sociological imagination?

Rubric:

Rating/ Evaluation	Fails to Meet Expectations	Needs Improvement	Meets Expectations	Exceeds Expectations
Criteria	Answer does not correctly define sociological imagination; does not mention associated concepts; writing is poor and contains numerous grammatical mistakes and misspellings.	Answer defines sociological imagination but not associated concepts; attempts to exemplify may appear but be incorrect; noticeable writing errors, but not enough to impede a reader's understanding.	Answer may define OR exemplify personal troubles and public issues; attempt to interpret Wright's meaning without a clear statement of meaning; few writing errors.	Answer defines and explains concept; defines AND exemplifies personal troubles AND public issues; almost no writing errors.
Point Value	0	1	2	3

Assume rating/grading scale for the question ranges from 0 to 3 points.

2. Describe a situation in which a choice you made was influenced by societal pressures.

Rubric:

Rating/ Evaluation	Fails to Meet Expectations	Needs Improvement	Meets Expectations	Exceeds Expectations
Criteria	Answer includes no mention of specific societal pressures; includes no examples; writing is poor and contains numerous grammatical mistakes and misspellings.	Answer discusses a societal pressure; attempts to exemplify may appear but examples may be incorrect; noticeable writing errors, but not enough to impede a reader's understanding.	Answer may discuss several societal pressures or provide in-depth description of a specific societal pressure; attempt to exemplify may be flawed or incomplete; few writing errors.	Answer clearly describes several forms of societal pressure; connects these examples to the concept of social facts (or other major introductory concept); draws specific conclusion regarding the influence of these pressures; includes almost no writing errors.
Point Value	0	1	2	3

Assume rating/grading scale for the question ranges from 0 to 3 points.

1.2 The History of Sociology

3. What do you make of Karl Marx's contributions to sociology? What perceptions of Marx have you been exposed to in your society, and how do those perceptions influence your views?

Rubric:

Rating/ Evaluation	Fails to Meet Expectations	Needs Improvement	Meets Expectations	Exceeds Expectations
Criteria	Answer does not correctly list any of Marx's contributions; does not mention associated concepts; writing is poor and contains numerous grammatical mistakes and misspellings.	Answer attempts to describe Marx's contribution; attempts to exemplify may appear but be incorrect; noticeable writing errors, but not enough to impede a reader's understanding.	Answer discusses conflict perspective; attempt to apply conflict perspective; few writing errors.	Answer defines and explains conflict perspective; exemplifies a personal opinion towards Marx and conflict perspective; explains origin of personal opinion; almost no writing errors.
Point Value	0	1	2	3

Assume rating/grading scale for the question ranges from 0 to 3 points.

4. Do you tend to place more value on qualitative or quantitative research? Why? Does it matter what topic you are studying?

Rubric:

Rating/ Evaluation	Fails to Meet Expectations	Needs Improvement	Meets Expectations	Exceeds Expectations
Criteria	**Answer does not correctly define either concept; opinion on preferred method is unsupported; writing is poor and contains numerous grammatical mistakes and misspellings.**	**Answer attempts to define both concepts; attempts to exemplify may appear but be incorrect; no clear opinion of preferred method is developed;noticeable writing errors, but not enough to impede a reader's understanding.**	**Answer defines and exemplifies both concepts; attempts to explain a preference on method; few writing errors.**	**Answer defines and explains both concepts; provides clear explanation of why one method is well suited to a particular topic; almost no writing errors.**
Point Value	0	1	2	3

Assume rating/grading scale for the question ranges from 0 to 3 points.

1.3 Theoretical Perspectives

5. Which theory do you think better explains how societies operate—structural functionalism or conflict theory? Why?

Rubric:

Rating/ Evaluation	Fails to Meet Expectations	Needs Improvement	Meets Expectations	Exceeds Expectations
Criteria	Answer does not correctly define either perspective; no explanation on which is better; writing is poor and contains numerous grammatical mistakes and misspellings.	Answer defines both perspectives; attempts to explain which perspective is better are unsupported; noticeable writing errors, but not enough to impede a reader's understanding.	Answer explains both perspectives; develops an argument in favor of one perspective; few writing errors.	Answer explains both perspectives; develops an argument in favor of one perspective over another; discusses why the alternate perspective is inferior; almost no writing errors.
Point Value	0		2	3

Assume rating/grading scale for the question ranges from 0 to 3 points.
